

The architectural site plan illustrates a parking lot and building complex. The main building is a large rectangular structure with a red hatched roof, measuring 66.5 units in length and 26.6 units in width. A smaller building is located to the right, measuring 10 units in length and 10 units in width. The parking area is divided into several sections, with dimensions for individual spaces and aisles. A pedestrian passage is shown at the bottom right, measuring 1.15 units in width. The plan also includes a north arrow in the top left corner and various annotations for materials and construction details.

Key dimensions and annotations include:

- Building dimensions: 66.5 (length), 26.6 (width), 10 (length), 10 (width).
- Parking space dimensions: 12/15 x 25 cm.
- Pedestrian passage width: 1.15.
- Material annotations: "Pavimentazione in massello di c.a. autobloccanti", "Cordolo in c.a. sez. 12/15 x 25 cm", "Pavimentazione stradale: Presaltopi spessi, 30 mm. Strato d'usura in conglomerato bituminoso spesso, 30 mm".
- Other features: "Nuova cabina ENEL", "Passaggio pedonale", "Cordolo in c.a. sez. 12/15 x 25 cm".
